Dedication

To Miss Kuma Shealy, our assistant principal, whose teaching career has been devoted solely to Minden High School, whose high scholarship has ranked her among the outstanding teachers of Louisiana, whose splendid Christian character has commanded the respect and esteem of the entire community, whose sincere interest in her students has endeared her to those who have been fortunate enough to receive her instruction, and whose precept and example have been an inspiration to many not in her classes, the Grig Staff of 1940 affectionately dedicates this volume.

But·· alas, some of the kids would play.

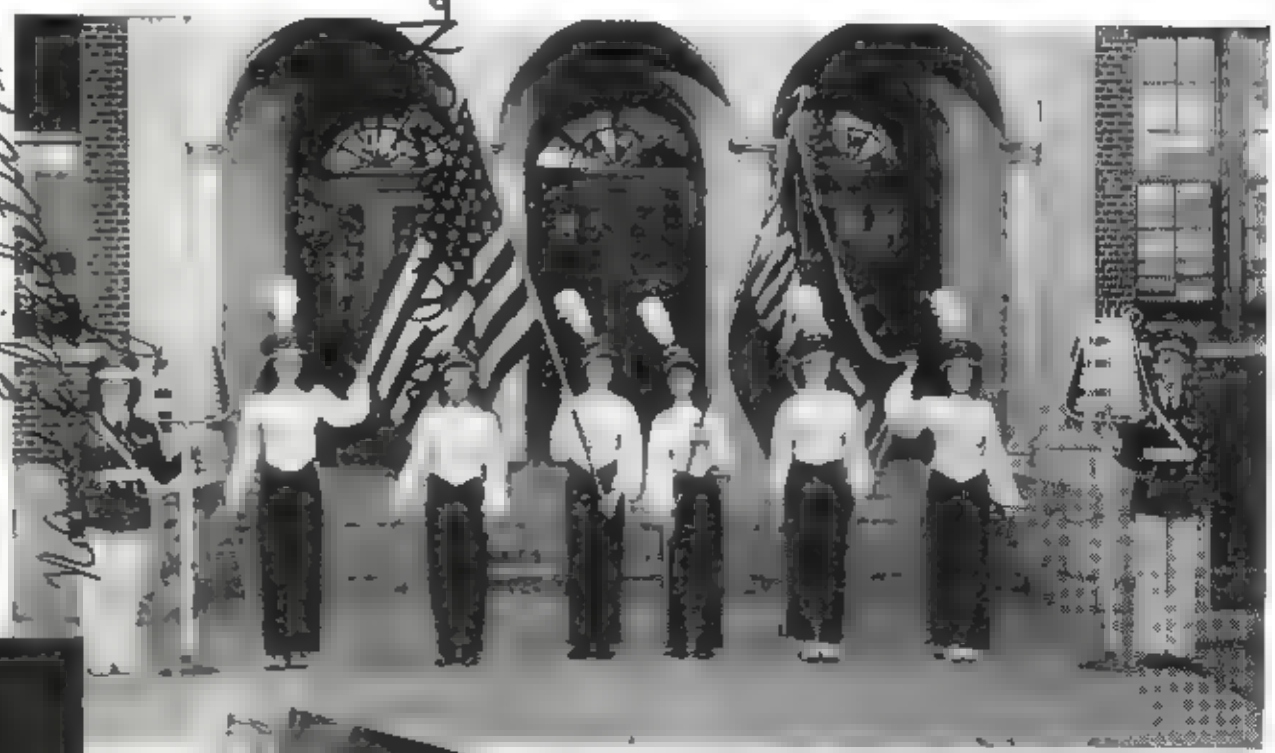
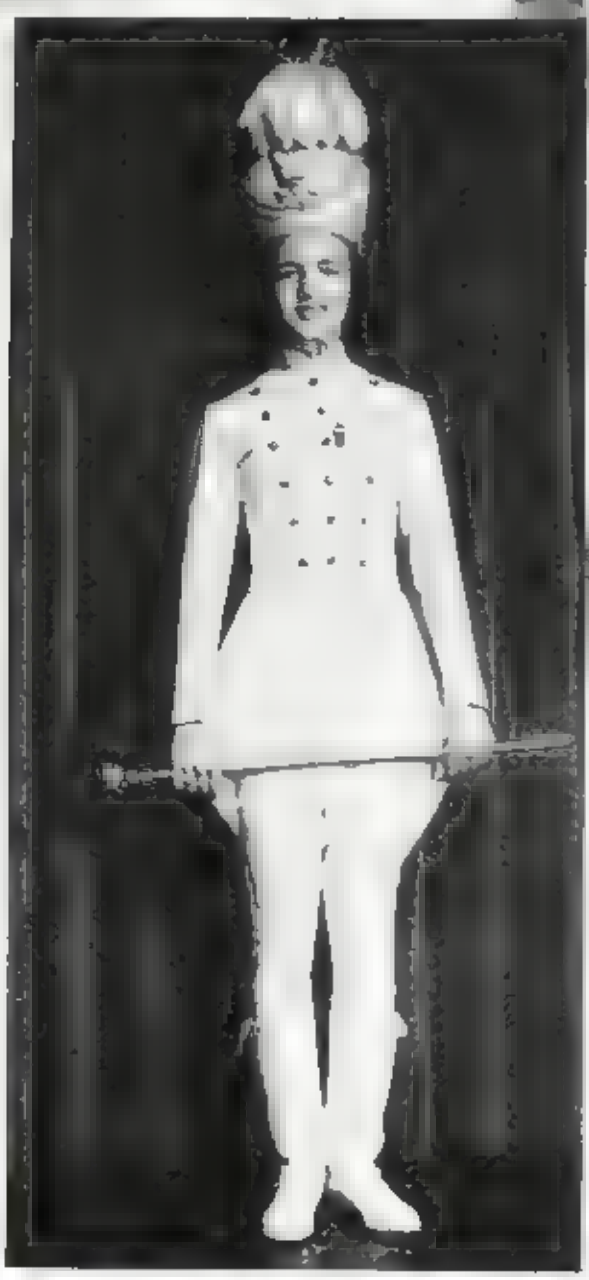
THOSE WHO ADD COLOR AND PEP TO OUR GAMES





The Band

TO MR. AND MRS. DWIGHT BLAKE

For sixteen years Mr. and Mrs. Dwight Blake have very efficiently guided and directed a band for Minden High School and have established its prestige all over the Ark-La-Tex area.

They have won the love and respect of all who have been associated with them, both in the band and out.

The Grig wishes to take this opportunity to express its appreciation for the splendid service which Mr. and Mrs. Blake have rendered our school and our community.

THE A CAPPELLA CHOIR

Parent-Teacher Association

Mrs. Sidney Guillot

Many times the students of Minden High School fail to realize just what is being done by the Parent-Teacher Association. Hence we feel that it is only proper that we should call attention to its activities for our interest. For its general theme this year the P.-T. A. has had Citizenship. In carrying out this theme it has sponsored the safety contests and the Junior Red Cross in the elementary school. Toys and equipment were contributed to the W. P. A. recreation center. Plans were made and carried out for the giving of a tuberculosis test and for following this up with the X-Ray test in case of a positive result. For these and the many other things—too numerous to mention in this brief space—that the P.-T. A. has done for us The Grig expresses appreciation.

To Mrs. Sidney Guillot, the president of the P.-T. A., we also wish to express our gratitude. This year under her able leadership the P.-T. A. has been a standard unit and has continued its splendid work. The following is her executive council, which has cooperated with her in making the P.-T. A. a success:
